ESSER III Needs Survey

YISD is eligible to receive additional school funding through the Elementary and Secondary School Emergency Relief Fund. YISD is seeking input from stakeholders as we develop our district spending plan for these additional funds. Your feedback and input is valuable to us.

Select your stakeholder category.

- School/ District Administrator
- Teacher
- Board Member
- Student
- Parent/ Guardian
- Stakeholder representing one or more of the following: children with disabilities, English learners, children experiencing homelessness, youth in foster care, migratory student

What do you believe to be the highest priority needs for Yantis ISD to address learning recovery and the impact of Covid-19? Please mark your top three priorities.

- Implement key components of effective instruction in Reading Language Art and Math
- Deliver interventions and individualized supports for students
- Add instructional staff to support interventions
- Ensure that all students have access to high-quality instructional materials
- Provide Summer Learning Opportunities and extended learning opportunities

- Engage families through family engagement activities and training
- Provide services focusing on social emotional learning, counseling, mental health, and wellness programs
- Technology
- Facilities improvement
- Other:

In order to address learning loss due to the Covid-19 pandemic, which of the following allowable activities would be most beneficial?

- Extend the day for all students
- Summer Learning Programs
- Targeted in-school interventions
- After - school tutorial programs
- Extended school year

What suggestions do you have for facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards and to support students health needs?

Please check any parent/family engagement activities that you would like to see us provide that would effectively support students, including in a distance learning environment.

- Digital Learning for Parents/Guardians
- Mental Health Supports
- Student & Family on Campus Engagement Activities
- Volunteer Opportunities
- Reading Language Arts/Math Supports
- Other:

What suggestions do you have to help us better support our students, educators, and staff in the area of health and safety?
