

Yantis Independent School District

2017-2018 Athletic Handbook

Yantis I.S.D. Athletic Program represents an important aspect of total student learning, where students are afforded an opportunity for physical, mental, spiritual, emotional, and social growth, and where the District's mission of education excellence is enhanced. For the participating athletes, these experiences provide an integral part of the foundation needed to be a productive citizen capable of leading a full and enriching life.

ATHLETE'S CODE OF CONDUCT

Being a Y.I.S.D. Athlete is a student choice and thereby a privilege, one that along with being an honor, carries with it responsibilities. The following are expected of a Yantis I.S.D. Athlete:

1. Yantis athletes will be intense competitors on the field, court, and the track, but are expected to conduct themselves as ladies and gentlemen at all times.
2. Yantis athletes are to display positive leadership at all times in our school and around the community.
3. Yantis athletes are to strive for the highest in moral and spiritual values.
4. When traveling to compete against other schools, Yantis athletes will represent themselves and their teams in a manner that reflects Yantis I.S.D. values and ideals.

As a Yantis athlete, our young men and young ladies have an image to reflect: one of leadership, character, responsibility, competitive spirit, and integrity. Students are not required to take part in extracurricular activities. Therefore, it is imperative that all students taking part in athletics understand the following responsibilities and rules and that the coaches of that athletic program and the athletic director have the right to remove those privileges.

YANTIS I.S.D. ATHLETICS

Junior High Programs

Goals of the Junior High Program

- A quality experience for all athletes involved.
- Development of skills to progress as an athlete.
- Sportsmanship on the playing field as well as off.
- Enjoyment of the game and of the team building experience.

Each of these goals has equal weight in the Junior High Program. Winning is an outcome of the accomplishment of these goals. The desire to win is fostered; however, it is not the driving force that governs the program. Winning is a nice thing that happens at this level.

Junior Varsity Programs

Goals of the Junior Varsity Program

- Development of skills and refinement to prepare for Varsity competition.
- A quality experience for all athletes involved.
- Sportsmanship on the playing field as well as off.
- Enjoyment of the game and of the team building experience.

At this level, a primary focus is development of players to compete at the varsity level – but not at the expense of other goals. The desire to win is more strongly encouraged, but again not at the expense of the other goals.

Varsity Program

Goals of the Varsity Program:

- Refinement of skills to create a competitive interscholastic team.
- Sportsmanship on the playing field as well as off.
- Develop citizenship and leadership (school & community).
- A quality experience for all athletes involved.
- Enjoyment of the game and team-building experience.

Winning at all costs is not a concept that is promoted at the varsity level; however, there is a much higher expectation to win. Coaches will make team decisions that will affect individuals on the team differently, in an effort to win, but not at the expense of other goals.

Student athletes must abide by all policy set forth in the Yantis I.S.D. Student Code of Conduct and Yantis I.S.D. Student Handbook.

Students must be currently enrolled at Yantis I.S.D. to receive Yantis I.S.D. awards.

Parent/Guardian-Coach Meeting Procedure

1. Our coaches may be contacted at the school during their conference periods. If contact must be made during school hours, please call the principal's office.
2. Request a meeting to discuss concern.
3. If the coach is unavailable, contact the athletic director.
4. Do not confront a coach when children are present.
(i.e. ...right before or right after a game or practice.) Meetings of this nature usually do not promote positive resolutions.
5. If not satisfied with the outcome of the parent/coach meeting, contact the Athletic Director. If not satisfied with that meeting, contact the Campus Principal. If no resolve has been made after these three meetings, you may contact the Superintendent's Office.

Letter Jackets

UIL athletic participants will letter for meeting the following criteria:
